WOMEN'S and CHILDREN'S OUTFITTERS

The House of Exclusive Fashions

WOMEN distinguished for smart gowning buy their clothes here because we show them the most exclusive and beautiful models in imported gowns and suits by the score, ready to try on and make an individual selection from. Models that the fashionable dress-makers and tailors would have to make up for them, charging almost twice as much, and running a very great chance of their not being becoming or as expected when finished.

There is no great maker of Paris whose models we do not show, and in addition, many beautiful things that our own designers and makers, working for us exclusively, produce.

INSURANCE ADVICE.

IT IS frequently the case that those who are considering the question of life insurance and who know that it is a duty they owe their family and themselves, keep putting off this vital matter from day to day and from year to year just because they do not know where to go for disinterested advice upon insurance matters.

If there are any readers of the Blue Book in such a quandary, they should call upon, or write, or phone Main 128, to Jay H. Emerson, Stock Exchange Building, Chicago. Mr. Emerson is General Agent of the New York Life Insurance Company, and has spent 18 years in the life insurance business, and will fully inform you of the best form of insurance to suit your needs, the exact cost, etc., and will give you complete information upon any insurance matter without any obligation on your part. The service of Mr. Emerson will cost you nothing, and if you are even considering taking out any insurance anywhere, it will pay you to see Mr. Emerson first.

PREFACE.

THIS Twenty-third issue of the CHICAGO BLUE BOOK contains the new street addresses which became effective about a year ago and possesses the old and tried features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

The title, "BLUE BOOK," is given the work because of its *blue* cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "BLUE BOOK — A parliamentary publication, so called from its blue paper cover, such being commonly used; *also, a book containing a list of fashionable addresses.*"

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained herein. It is simply a compilation of about twenty-four thousand names of the most prominent householders of Chicago and suburbs within a radius of thirty miles, published in the most convenient form for reference by our lady patrons.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We keep the entire work standing in type, that such corrections can be made promptly, and in this way we hope to make the CHICAGO BLUE BOOK as nearly perfect as it is possible to make such a volume.

While retaining all the old features, such as Calling Days in the Street List, and Summer Residences in the Alphabetical List, we have added very materially to our Miscellaneous Information, Club Lists, Churches,

etc. We shall always be pleased to receive any suggestions from our lady patrons whereby we can enhance the value of this work to them, or any information regarding Social or Literary Clubs and Associations which we have not already incorporated in our volume.

The data for this work have not been compiled from circulars or from other Directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names. In order to issue the book before the Holidays, it is necessary for us to commence our annual canvass early in September. We would therefore deem it a great favor if those absent from their homes after October 1st would send us each year the information they wish inserted, in order that the work may possess that accuracy and completeness we have taken so much pains to secure.

Rare Engravings and Etchings

Artists' Drawings. Fine Picture Framing

I MAKE a Specialty of those Engravings and Etchings (both old and modern) which have taken definite rank as being the best works of the best artists, and which are so designated in the standard books of reference on the subject. Such Works of Art are Permanent and often of increasing value, although the prices of many of them are very moderate; and their rarity renders them all the more desirable as choice possessions.

Rate of postage: 1 cent for each 2 ounces or fraction thereof.

Third Class Matter consists of printed matter, books, circulars, mimeograph and neostyle copies, imitations of hand or typewriting (such matter must be identical as to contents and must be mailed at a post-office or station in at least 20 copies, separately addressed, to secure the third class rate; when mailed otherwise it will be first class); manuscript accompanied by proof, and all matter of similar character. There may be placed upon the blank leaves or cover of any book or printed matter of the third class a simple manuscript dedication or inscription not of the nature of a personal correspondence. Imitation matter, as well as ordinary printed circulars, may be dated, addressed and signed in either hand or typewriting, or by hand stamp. Samples of paper printed on, printed blotters, or cloth bearing an imprint, are fourth class matter; so also are memorandum books and generally matter in which the white surface exceeds the printed. Undeliverable third class matter is not given directory service, and when not of obvious value, is consigned to the waste. When it bears the proper return card, with promise of stamps in case of notification, notice of non-delivery is mailed to the sender. If due attention is not paid to these notices they are not sent thereafter, but the matter is disposed of just as if no card existed. Third and fourth class matter can neither be returned nor forwarded without the prepayment of postage anew. Limit of weight is 4 pounds, except single books, to which there is no limit.

MAIL MATTER OF THE FOURTH CLASS.

Rate of postage: 1 cent for each ounce or fraction thereof. Limit of weight, 4 lbs.

Fourth Class Matter consists of merchandise admissible to the mails and all matter not included under the first, second and third heads. The matter in all cases must be properly wrapped or packed to bear transportation in the mails. Liquids to the extent of 4 ounces, are accepted only under rigid conditions as to packing. For these conditions inquire at the post-office or a station. Spirits, wines, etc., except communion wines, are not mailable; neither are poisons nor any matter liable to decompose or which exhales a bad odor, or by its nature is likely to damage or injure the mails. Descriptive written indorsements are permissible on fourth class matter. The item of return card, postage notice, etc., mentioned heretofore, is especially important in the case of merchandise. Merchandise may be sent to Canada, Cuba and Mexico under practically the same conditions as in the United States, its territories and possessions; though, of course, subject to the customs regulations of these countries.

The form of return card which should be used on second, third and fourth class matter is as follows: "If not delivered within 10 days, postmaster will please notify John Jones, 236, 50th street, Chicago, Ill., who will provide return postage."

POST CARDS.

Unfolded pieces of cardboard not exceeding 3 9-16 by 5 9-16 inches and not less than 2 3-4 inches by 4 inches are transmissible in the domestic mails, including the Island Possessions and to places in Canada, Mexico, Cuba, the republic of Panama, the U. S. postal agency at Shanghai, China, and the Canal Zone at the postage rate of one cent each. To all other countries the postage is two cents. Postage must be prepaid by affixing stamps of the proper value.

Weight and Quality—Must be substantially that of the Government postal card of like size.

Color—Any that will not interfere with a legible address and postmark.

They may, or may not, at the option of the sender, bear near the top of the face the words "Post Card."

The face of the card may be divided by a vertical line; the left half to be used for a message, etc., but that to the right for the address only.

Very thin sheets of paper may be

attached to the card, and then only on condition that they completely adhere thereto. Such sheets may bear both writing and printing.

Advertisements and illustrations may appear on the back of the card and on the left half of the face.

When post cards are prepared by printers and stationers for sale, it is desirable that they bear in the upper right-hand corner of the face an oblong diagram containing the words, "Place postage stamp here," and at the bottom of the space to the right of the vertical dividing line, the words, "This space for the address."

Cards which do not conform to the conditions prescribed by these regulations are, when sent in the mails, chargeable with postage according to the character of the message—at the letter rate, if wholly or partly in writing, or at the third-class rate, if entirely in print.

Cards bearing particles of glass, metal, mica, sand, tinsel, or other similar substances, are unmailable, except when enclosed in tightly sealed envelopes.

The address may be in writing, printing, by means of a stamp, or by an adhesive label of not more than three-fourths of an inch by 2 inches in size. The sender may in the same manner indicate his name and address on the face or back of the card.

The message on the cards may be either in writing or print.

Any card of foreign origin which, from its title in any language, appears to be a Post Card and conforms to the above requirements, shall be admissible to the mails (domestic or international), when prepaid in U. S. postage stamps.

PAYMENT OF MONEY ORDERS.

Money orders may be collected at the general office, or at any of the sta-

tions in this city. They may also be deposited in banks like drafts or checks, or they may be indorsed for collection through other business channels, always observing the same precaution for identification, etc., given to bank checks. When the payee or remitter of a money order collects it in person at the post-office, or station, or when he deposits it in a bank for collection, he should sign it on the face at the place provided for receipt, and not on the back. When, however, he transfers the order to other than a bank he should sign the form of indorsement on the back. More than one indorsement is prohibited by law, the purpose being to restrict the use of money orders to remittances, but the collection stamps of banks are not construed as additional indorsements.

DISTINCTIVE YEAR-BOOKS

For Clubs, Schools and Societies

¶ It has been aptly said that there are many things whose value lies in the fact that they are exactly right.

¶ Just so with year-books and announcements of organizations that stand for something more than the commonplace. They must be correct.

¶ Printing that is simple, distinctive, and dignified may always be had at the Lakeside Press, and it costs but little more than the characterless sort.

¶ Without extra expense, we will suggest the arrangement, choice of paper, and so forth, for your work.

To change you from an envying listener into a skilled creator of beautiful effects in music—

To fill your idle hours with the light, happy airs of the theatrical world—

To unlock the gates that seem to bar you forever from the joys of Classic Music-land—

This is the inspiring work of

THE PIANOLA PIANO

For this instrument succeeds— as does no other— in enabling the Music lover, who is *not a musician*, to produce music *for himself*. To have music *when-ever he wants it*. To play it just as he *wants* it played, with each note and measure a part of his own plan of expression.

BUT AVOID THIS MISTAKE: Do not lay up disappointment for yourself by supposing that *any* so-called player-piano will enable you to do these things. *Only one* instrument of this type has the indorsement of the world's great musicians. *Only one* enables you, through its exclusive Metrostyle, Themodist and other important features, to secure the effects that give beauty and meaning to your performance. This is the Pianola Piano—the world-famous Pianola installed in the STEINWAY, WEBER, STECK, WHEELOCK and STUYVESANT PIANOS.

Visit Aeolian Hall. Play on a Pianola Piano. Learn the reason why seven Kings in Europe have purchased Pianola Pianos in preference to all other similar instruments; why over 300 of the world's leading musicians endorse it exclusively; and why its sale all over the world is vastly greater than that of any competitor.

The Room That Charms

Just as a pink lining in a hat brim casts a fascinating glow on the face of the wearer, so

certain effects in the wall coverings and draperies of a room make the most effective background for the hostess and her guests.

Some rooms have the effect of putting every one entering them completely at their ease, much in the same sense as Emerson said that some women feel with well-fitted backs to their dresses.

Our staff of experts in household decorative art put all their skill at your disposal—helping you to give concrete form to your artistic fancies.

A wide range of ideas at from 15c to \$15 the roll.

THE MILWAUKEE SANITARIUM

FOR NERVOUS AND
MENTAL DISEASES

Situated in the beautiful suburb, WAUWATOSA, WISCONSIN. The new buildings and other improvements recently made, together with the well known facilities previously in use, provide an equipment of great completeness.

An especial merit is the wide separation of the FIVE different houses, giving individualized treatment and environment to all.

Ideally beautiful grounds (25 acres) "set on a hill." Modern bath house. All approved uses of water, electricity, heat, light, etc.

The Sanitarium is secluded yet convenient of access. On C. M. & St. P. R'y. 2 1/2 hours from Chicago; 15 minutes from Milwaukee. Two lines street cars, 5 minutes walk from all cars.
